## Call for Nominations

2018 Elsevier/*JQSRT* Richard M. Goody Award

This prestigious Elsevier/*JQSRT* young-scientist award is named after **Richard M. Goody** whose pioneering research has had a profound and long-lasting impact on the disciplines of atmospheric radiation, remote sensing, and climate change.

The 2018 Goody Award will be competed among outstanding early-career scientists who work in the fields of *Atmospheric Radiation and Remote Sensing*. The award will be presented at the 17th Electromagnetic and Light Scattering Conference (*ELS-XVII*) which will be held at the Texas A&M University, College Station, USA from 4–9 March 2018. The award will consist of a certificate and a USD 750 monetary prize.

To qualify for consideration, a nominee:

➢ Must be a graduate or post-graduate student or in his/her early career path with an outstanding record of scholarship;

➢ Must have not received a *JQSRT* Young Scientist Award previously;

➢ Should have published in *JQSRT* previously, although this requirement may be relaxed in exceptional cases;

➢ Should be under 37 years of age on 7 March 2018 or finished his/her PhD within the 10 years preceding that date;

➢ Must present at least one paper at *ELS-XVII*;

➢ Must attend the award ceremony at *ELS-XVII*.

The recipient of the 2018 Goody Award will be selected by a distinguished Award Committee and announced at the *ELS-XVII* conference banquette.

Each nomination package should be submitted, as a single PDF file, to Professor M. Pinar Mengüç at pinar.menguc@ozyegin.edu.tr and Dr. Michael Mishchenko at crmim2@gmail.com by 1 October 2017 and should consist of a nomination letter, the nominee's CV and publications list, up to 5 best peer-reviewed journal papers, and up to 3 letters of support.
